### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the claims:

In claim 6, lines 1-2, delete "according to claim 4".

The above amendment was required to correct the dependency of claim 6 which now contains the subject matter of claim 4, and claim 4 was subsequently canceled, and as per the other independent claim 5 where the dependency was deleted from the claim as well in favor of the subject matter being placed into the claim to make it independent the same as claim 6, all suggests that it was an obvious oversight to not remove the dependency of claim 6 upon claim 4 from the claim. Since such was clearly the intention of the applicant as per the remarks section which states claim 6 was put in independent form as well, such would only be consistent with the deletion of the dependency upon claim 4.
